Proposed Change

**JP108 Prize Money** [CHAPTER SUBCHAPTER JP-1 GENERAL]

2. Altering Prize Money. Competitions may not change the amount of prize money awarded in a class from that indicated in the prize list unless all conditions affecting such changes are clearly delineated in the prize list, **or after publication of the prize list within 30 days of the start of the competition**. Such conditions **to be included in the prize list**; the number of entries received by what date or time that will cause change in conditions or cancellation; what entry fee will be charged in the event of a change, and the policy for refund of entry/nomination fees for competitors electing not to compete under the changed conditions. The specific division of the prize money to be distributed in the class must also be indicated in the prize list. If prize money is reduced, the entry fee must also be reduced. Exception: If there are less than eight (8) entries in a class, the provisions of GR904.4 will also be applicable

Rule Change Intent

This change would give some flexibility but with a 30 day limit which is consistent with GR 904 regarding changes in prize list. This means no change in prize money can be made within 30 days of the start date of competition.
