DR123 Scoring, Classification and Prize-Giving [CHAPTER SUBCHAPTER DR-I DRESSAGE GOVERNING REGULATIONS]

DR123 Scoring, Classification and Prize-Giving. Change to read:

2. The total score for the classification is obtained by adding the total points and determining the percentage score.

With more than one judge, the percentage score is determined by adding the sum total points earned from all

judges and dividing by the total available points. If there are two or more judges, the points awarded by each judge

will be published separately in addition to the total score. Total final results **and scores (to include artistic and technical % scores for freestyles)** must be published in marks as well as in percentages with numbers to three places after the decimal point.

Effective: 1.1.18
