4. Each entry will have only one handler per class. **At Premier and National rated competitions a handler may not exhibit more than one horse in any Hunter Breeding classes listed in HU189 or HU190. At these competitions the same handler must present the horse in all phases of the class, including the jog and lineup. Entries must be presented for conformation, walked, and/or trotted under the review of the judge. Horses must be judged for conformation before being walked and/or trotted. After completing a review of each horse in the class, the judge(s) must line up the entries in order of preference (exception see HU190 for ponies). Judge(s) then have one last opportunity to review the horses collectively, and may move horses in the lineup as preferred based on the Hunter Breeding judging standards.**

Rule Change Intent

To specifically define that there may only be one handler per horse and one horse per handler in the ring in a breeding class. For the entire duration of the class (from the beginning of the class to placing) there is to be only one exhibitor per horse in the ring. A horse is not to be handed off to another person to be jogged or held while the class is in the ring.
