Proposed Change

DR127 USEF/USDF Qualifying and Championship Classes and USEF/USDF National Championships for Dressage [CHAPTER SUBCHAPTER DR-I DRESSAGE GOVERNING REGULATIONS]

2. Unless specified otherwise in published selection procedures, all qualifying competitions for USEF/USDF Championships are open only to horses that have been recorded with the Federation, ridden by Junior Active, Senior Active, or Life Members. Annual or lifetime Horse Recording is required and horses with only HID numbers are not eligible. Horse owners must also be Junior Active, Senior Active or Life Members. ***If the horse has more than one owner, at least one owner must have both active USEF Junior Active, Senior Active or Life membership and active USDF Participating or Business Membership. For a business or farm to be the valid owner under this requirement, it must be listed as an owner of the horse with both USEF and USDF.*** Responsibility to record their horse(s) with and become members of the Federation rests entirely with the competitors. Qualifications will not count until the applications and fees for the horse's recording and rider's and owner's Junior Active, Senior Active, or Life Membership are received by the Federation, unless submitted according to the provisions of GR203.1 and GR1309.1.
