GR1214 Results

1. All competition results and other data as specified by USEF in the license agreement may be electronically transmitted to USEF within 10 days following a Licensed competition including all corrections, changes and additions to the prize list. All results must meet the criteria and format of the Federation result template as published by USEF and must be submitted as outlined in the license agreement. A fee may be assessed for any required data not received electronically. Full results are defined as the names and Federation numbers of all horses, riders and owners in all classes. In the event of an entry under multiple ownership, only one owner need be a Member or pay a Show Pass fee. The competition is responsible for listing either the active member or the person that paid the Show Pass fee in the results. (Exception GR901.9). For all Jumper Classes offering \$500 or more in prize money (including add back) the competition must submit the following in addition to the above: the number of horses competing in the class, the Level under which the class was conducted, the identification/recording number for each horse in the class, and the placings with the money paid out to each placed entry. For Young Jumper classes the first round fault scores for each entry must also be included. For classes with \$25,000 or more in prize money a copy of the starting order (showing the rider) and judges card(s) are required. At Jumper Rating 4 or higher competitions, results must include faults of each round in jumper classes held at 1.40m or above. Results must include faults from each round of Pony Jumper classes. Results for Dressage Competitions and Regular or Local competitions holding open Dressage or Dressage Sport Horse Breeding classes must include the Federation and USDF membership and identification/recording numbers for all owners, riders, handlers and horses for whom this information is required for the competition. This material is needed in order to include the winnings of exhibitors in the Federation's permanent records. **Results in Hunter Competitions in over fences classes must record the following information, if applicable: (i) Did Not Compete and (ii) Did Not Place. See HU132.9.**

Rule Change Intent

If the USHJA rule change proposal concerning HU132.9 is approved, an updated reference to HU132.9 will need to be added to clarify the designations that will be required to be included with all hunter class results. The purpose of this addition to the rulebook is to provide the hunter discipline with better and more precise data more akin to the data available under the jumper rules, thus providing resulting in more accurate horse and rider reports that can be used more definitively in guiding the trajectory of programs and championships.
