Proposed Change

HU172.1 Delete 5th sentence [CHAPTER HU-10]

1. A horse or pony must be measured each competition year until it reaches the age of eight. Horses and ponies that are seven years and under will be issued a Temporary Measurement card designating the year measured. Horses and ponies that are eight years of age and over will be issued a Standard Measurement card which does not need to be renewed. Exception: Horses that measure 16.2 hands or over will receive a standard measurement card regardless of age. ~~Horses and ponies may not be measured by the same steward for their Standard Measurement Card and the card preceding the Standard Measurement card.~~ The Federation will invalidate a Standard Measurement card that does not comply with this rule.

Rule Change Intent

Would let the same Steward remeasure the same pony or horse in its 7th and 8th year. This rule is a hardship on pony exhibitors. Many are not familiar with the rule. Often the Steward published in the prize list is not the one that actually works at the show. The exhibitor has no warning. I recently had to remeasure a Junior Hunter that was 16.1 1/2 because of this rule.
