Proposed Change

JP103 Schooling [CHAPTER JP-1 GENERAL]

2. Schooling Supervision Requirements

- a. A C1 Steward or Certified Schooling Supervisor must be present in the schooling area during any Jumper class offering \$10,000 to \$24,999 in prize money.
- b. A Registered C1 Steward or Certified Schooling Supervisor must be appointed to supervise schooling before and during the classes offering \$25,000 or more in prize money.
- c. A Steward or Certified Schooling Supervisor must be present during schooling for Five, Six or Seven Year Old classes.
- d. A minimum of one competition Steward must always remain available to attend to other stewarding duties.
- e. Management is responsible for providing Certified Schooling Supervisors to supervise schooling for the Jumper warm up area of the ring offering the most prize money during that particular session during scheduled classes and warmups at Jumper Rating 5 or higher competitions. The Certified Jumper Schooling Supervisor cannot be one of the Competition Stewards.
- f. For all other Jumper warm-up areas and during scheduled classes and warm-ups, Management is responsible for providing designated individuals to supervise schooling. These individuals must have a clear view of their assigned warm up area.

3. Schooling supervisors may be individual contractors at the competition or may be competition stewards. However, a minimum of one competition steward must always remain available to attend to other stewarding duties. **For JP 103.2.a, .b, and .c, a person may use their C1 Steward's License to act as a Certified Schooling Supervisor and that person would not be subject to the restrictions in GR 1039 since they are not acting as one of the required official Competition Stewards.**

Rule Change Intent

This allows someone that has the correct training to supervise schooling to act as a Certified Schooling Supervisor for the competition. When a person is using their Stewards license to act as the CSS, that person is not subject to the restrictions of a Steward since they are the CSS.
