Proposed Change

JP111 Tack and Attire [CHAPTER JP-1 GENERAL]

JP111 Tack and Attire

[...]

**5. Curbs. When using a curb with any leverage bit, it must be constructed of loose links, joints, and/or lie smooth against the jaw of the horse and be free of twists, sharp objects, or anything inhumane. A curb may be wrapped or inserted into a rubber cover for the comfort of the horse. A curb may not be used in conjunction with wire, metal, rawhide, metal "keepers" or any other substance. Except for attachment of curb to the bit.**

5. 6. See JP116.2 for Classes Restricted by Age of Horse.

6. 7. Tied Stirrups. Any rider competing with their stirrup, stirrup leather or foot tied and/or secured in any manner, will automatically be eliminated from that class. Riding anywhere on the competition grounds with stirrup, stirrup leather or foot tied or otherwise secured is cause for disqualification, by the steward, of that rider from the subsequent class in which the rider is entered. In the case of junior or amateur riders, the steward will note the trainer name(s) on the Steward's Report and further disciplinary actions may be taken by the Federation. Exception: Devices approved by the FEI are allowed.

[Re-number remainder of section accordingly]

Rule Change Intent

To specify what types of curb chains and straps are permitted in the jumper ring. Currently there is no rule regarding curb chains/straps, and this rule would prevent the use of unethical and barbaric equipment.
